To

The Firms dealing in Pyrometers.

Enquiry No. 3390.

PYROMETER FOR GOVERNMENT ELECTRIC FACTORY.

GENTLEMEN,

In continuation of this Office Circular No. 27345-54, dated 11th April 1939, forwarding a copy of the above enquiry, I write to furnish the following further particulars of the pyrometer required.

(1) The pyrometer should be of recording type.
(2) It should also be of Radiation type.
(3) The length of the stem should be of 10″ minimum without collar.
(4) The diameter of the dial of the pyrometer should be 6″.
(5) The required pyrometer is intended to be used for heat treatment of steel and steel articles.

The closing date of the above enquiry is postponed from the 30th April 1939 to the 12th May 1939.

No. S. P. C. 28942-71, *dated* 27*th April* 1939.

To

The Firms dealing in Paints and Varnishes.

Enquiry No. 3408.

PAINTS REQUIRED FOR THE MYSORE STATE RAILWAY DEPARTMENT DURING THE YEAR 1939-40.

GENTLEMEN,

Please be good enough to intimate your best prices and the earliest time of delivery for the materials described in the attached schedule.

The prices to be quoted should be for delivery, f.o.r., Mysore, under Railway Material Certificate and should reach the undersigned on or before the 20th May 1939.

The materials specified are such as are likely to be required. Only such articles as may be required by the department from time to time will have to be supplied in quantities to be indented for within a fortnight from the date of receipt of indent.

The prices quoted should hold good for a period of one year from the date of communication of our order and you will be required to execute an agreement and also deposit an amount of 5 per cent of the value of your order as security for the proper performance of the contract should you be successful in getting a contract.

Alipore test certificates of paints offered should accompany your tender. The Stores Purchase Committee reserve the right to draw simples from supplies made and get test checks made when necessary to satisfy themselves that they conform to the quality quoted for and ordered by the Committee. The cost of such test which will be Rs. 40 per sample should be borne by the contractors, if the supplies are found to be not according to the approved quality or standard.

Samples of paints offered should be sent in duplicate, without which no quotation will be considered.

Tenders should be submitted in sealed covers and superscribed "Tender for paints for the Mysore Railway Department during 1939-40."

N.B.—Wherever any particular Brand is specified, quotation need be sent for that particular Brand only.
